Yuzhe Wang
No.2 Yuanmingyuan West Road
Beijing, Beijing 100193
China

Dear Yuzhe Wang,

On behalf of the PAG Organizing Committee, I am requesting that **Yuzhe Wang**, be granted an immediate visa appointment to attend, **in-person**, the **Plant & Animal Genome 33 Conference, January 9-14, 2026** at the Town & Country Resort & Conference Center in San Diego, CA.

As the world's largest agricultural genomics meeting, international participants like **Yuzhe Wang** find it important to attend and interact **in-person**, to learn about the latest scientific developments in their field of genomics.

If you need additional information for your visa, please contact us via e-mail at: pag@scherago.com

We look forward to your attendance at the meeting.

Sincerely,

Darrin Scherago, Conference Organizer
